

WOOL RICH & PILE UPHOLSTERY

CARE & CLEANING GUIDE

CLEANING

Do not remove cushion covers for separate cleaning, even though they have zippers.

Regular cleaning

- Protect from direct sunlight and dry in the shade.
- Vacuum regularly using low suction and smooth attachment.
- Rotate reversible cushions regularly.
- Professional dry cleaning is recommended.
- Do not use dishwashing or laundry detergents.
- May be shampoo cleaned using an upholstery shampoo suitable for natural fibres. Do not rub.
- Allow to dry thoroughly before re-use.
- Gently vacuum to restore pile.

Spot cleaning

- Treat spills and stains as soon as possible.
- Gently scrape soil or mop liquid from the surface, do not scrub.
- Apply proprietary cleaning agents strictly according to instructions to remove the residue of the spill.
- Do not saturate the fabric or interior with water or other cleaning liquids.
- Dry cleaning solvent can be used for spot cleaning.

CARE SYMBOLS
